

Let's face it - we don't carry cash or a checkbook around with us today, so now we've made giving to our church as easy as buying a song on iTunes! There are **three ways to give**, they're all really easy!

### **Text Engagement**

Grab your phone and text **effort** to **77977** and you'll receive a text back with instructions to start giving. Tap the link, and you're ready to give! \*

### **Giving Link on our website**

Simply go to **effortchurch.org**, and click on GIVE located on the top right of the page. Then click on the Pushpay banner. This will take you to the secure giving link.

### **Pushpay App**

Download the Pushpay App from the Apple App Store or the Android Play store. You can text pushpay to 77977 and receive a link back to download the app. From there, making a contribution is as easy as 1, 2, 3. Open the app, choose who to give to, enter the details and you're done, in only seconds!

Be sure to make Effort Church a favorite by selecting the star in the upper right corner of the App to easily find it later!

### **ACH**

We're also excited to be able to offer you ACH giving! This is huge because it allows you to give **directly from a bank account** which allows more of your donation to go into resourcing God's kingdom. Simple navigate to the giving page using one of the methods described earlier, and choose "Give from Bank Account." Enter your account and routing numbers and give!

**Have any more questions? Send your questions to [communications@effortchurch.org](mailto:communications@effortchurch.org) and we'll answer them!**
