Enrollment Information

1. We require a completed application for each child, in each program, each year.
2. We require an official copy of your child's up to date immunization form or an immunization waiver form prior to first day of attendance.
3. A copy of your child's birth certificate is necessary prior to first day of attendance.

Tuition Information

1. Tuition is based on an annual commitment and is calculated by the program. We do not "pro-rate" monthly tuition amounts, should your child's schedule change mid-month. Changes made prior to the 25th of the month will be effective on the 1st day of the next billing cycle.
2. We no longer require a registration application fee. The first month's tuition is due and payable upon acceptance into the program in order to hold your child's spot. This payment will be applied to the last tuition payment for the annual program.
    a. Families who have previously participated in our programs and have a good payment record have the option to request a waiver of this requirement.
3. There is a non-refundable curriculum fee of $225 or $375 (depending on grade) for students enrolled in Effort Christian School, grades K-7th. This is due upon acceptance into the program.
4. School Tuition paid in full, in advance (prior to start date) will receive an approximate 5% discount, which can be designated to a scholarship fund.
5. We offer a sibling discount of 10% for the PS or School tuition portion only of the highest child for families with multiple children enrolled in either school or preschool.

Financial/Payment Information

1. Payments are due on the first day of each month, beginning in first month of each program.
2. We use Smart Tuition for billing and receiving payments. Smart Tuition allows parents the option of making payments by electronic check. Parents are able to check their account online 24/7. Once your child(ren)'s registration form has been processed, you will receive a tuition agreement and login information for your Smart Tuition account. Parents who pay for their tuition in full at the time of registration will not need to login to Smart Tuition. Payments are not accepted at the church.
3. A $55 late fee will be assessed on past due accounts on the 5th day of the month. Delinquent families may be required to make future payments via credit card in order to stay enrolled in Effort Programs.
4. Families with outstanding past due balances may be unenrolled beginning on the 7th day of the month.
5. Collection efforts will be pursued for any unpaid tuition. In the event that any tuition debt is "written off", you will receive a 1099-C for the amount forgiven, and that amount will be reported to the IRS as taxable income to you.
6. Returned payments will incur a $50 return check charge by Smart Tuition, and all future payments may be required to be paid via credit card for the remainder of the school year.
7. A limited number of scholarships are available on a case by case, as needed basis. Please see program director for application.
8. Non-payment in one program will result in forfeiture of further participation in other Effort Baptist Church Programs.
