E-BULLETIN

Each of us has felt less than perfect since the COVID outbreak. Depression, Anxiety, Anger, Grief, Separation, and Illness have only become amplified during this stressful time. This Monday, October 26th, at 7 pm, we will be hosting our weekly Zoom roundtable to discuss these issues whether they are with us, in our families and those we love, or just in groups we lead. This week we will be discussing Anxiety. Many of us are dealing with anxiety over the uncertainties of Covid, including our careers and finances, relationships, children, to only name a few. Everyone gets anxious. But God is with us and we don't have to do life alone!

Discussions will be facilitated by Craig & Linda Bernick and Jason Bird
